Main aim of discussion with the Director of the Directorate of Academic Education, Col IMM Dr. Ir Lodewyckx, was the achievement of a whole semester studying period abroad within the frame of ERASMUS.

Founded in 1987, ERASMUS is a European Union programme to facilitate, to encourage and to support exchanges of students and lecturers on university level. All European Union countries as well as Croatia, Iceland, Liechtenstein, Norway, Switzerland and Turkey are members of this programme.

It was agreed that students of the Royal Military Academy will spend a semester at the Theresan Military Academy to write their Master Theses and students of the TMA will spend an individual semester at the RMA absolving Social & Military Science studies. An exchange of lecturers was agreed too, all these within the frame of ERASMUS. A participation of the RMA in the ERASMUS Intensive Programme together with TMA and other Military Basic Officer Education Institutions will be negotiated on a case to case basis.

Finally the ERASMUS-Agreement was signed by Col (GS) Mag. Wiedner, Deputy Head of Institute for Basic Officer Education at the Theresan Military Academy and will be signed by the Rector-Commandant of the Royal Military Academy, Major-General Ir Harry Vindevogel.

This agreement (please see annex) is a next great possibility for students and lecturers to increase their interoperability and intercultural competences.
